1. On the night of 4 or > April 1950, three hundred sailors with full war equipment boarded the vessel PASILAC in Divulje (near Split), and departed in the direction of liver. An unspecified number of officers who, until then had been living permanently in "rlit, accompanied them.

2. During April 1950, a large vessel of the Yugoslav Navy docked in the port of Split every few days. Cannons, 100 mm. and 122 mm., crates containing munitions, and various military equipment and food were loaded on this vessel. Thile at sea, the vessel was several times observed heading toward the island of Vis.
